

A BOARD GAME: *Months of the Year*

This is a game for 4 players (or for teams). Each player has a different counter: blue, green, red and yellow.

Rules

1. Say a counting rhyme to decide who starts and who comes next: *One, two, three, play with me!*
2. Take a turn by flipping a coin (heads = move 1 space; tails = move 2 spaces).
3. When you land on the picture, you have to make a sentence about it, for example:

The fifth month of the year is May.

4. If your answer is correct, don't move.
5. If your answer is wrong, move back one space.

The winner is the first player to reach the finish.
