

A SPELLING GAME: *Word Hunters*

This is a game for 2 players (or 2 teams).

Rules

1. Shuffle, and spread all the ABC cards out face down on the table between the players.
2. Select a letter at random.
3. Now you must, as fast as you can, write down a wild animal, something to eat or drink, something at home and something around the town that starts with the selected letter.
4. The one that finishes first counts: 5, 4, 3, 2, 1, then shouts: "Stop!"
5. 10 points are awarded for each correctly spelled word. If you and your opponent have exactly the same word under one of the headings, only 5 points will be awarded if the word was correctly spelled. If you don't have anything under one of the headings, and your opponent has the word correctly spelled, he or she will win 15 points.
