

I'm not crying.

You aren't laughing.

He isn't drinking.

She isn't dancing.

It isn't running.

We aren't swimming.

You aren't eating.

They aren't cooking.

to cry

I am not crying
you are not crying
he is not crying
she is not crying
it is not crying

we are not crying
you are not crying
they are not crying

to smile

I am not smiling
you are not smiling
he is not smiling
she is not smiling
it is not smiling

we are not smiling
you are not smiling
they are not smiling

to swim

I am not swimming
you are not swimming
he is not swimming
she is not swimming
it is not swimming

we are not swimming
you are not swimming
they are not swimming
