

Am I laughing?

Are you crying?

Is he cooking?

Is she singing?

Is it standing?

Are we eating?

Are you drinking?

Are they swimming?

to cry

am I crying?  
are you crying?  
is he crying?  
is she crying?  
is it crying?

are we crying?  
are you crying?  
are they crying?

to smile

am I smiling?  
are you smiling?  
is he smiling?  
is she smiling?  
is it smiling?

are we smiling?  
are you smiling?  
are they smiling?

to swim

am I swimming?  
are you swimming?  
is he swimming?  
is she swimming?  
is it swimming?

are we swimming?  
are you swimming?  
are they swimming?
