MY FAVOURITE THINGS

This is a board game for 2 - 4 players (or teams). Before playing the game revise or pre-teach the vocabulary used in the activity.

Decide who starts and who comes next.

Take a turn by flipping a coin: heads = move one space; tails = move two spaces.

When you land on a picture, you have to make a question about it. To do this, use the words from the game board, for example, What's your favourite colour?

If your question is correct, don't move.

If your question is wrong, move back one space.

The winner is the first player to reach the finish.

What's your favourite holiday?

What's your favourite season?

What's your favourite food?
