

YOUR FAVOURITE SCHOOL SUBJECTS

COMPUTERS, TECHNOLOGY AND TRADES

LANGUAGES AND ARTS

HUMANITIES AND SOCIAL SCIENCE

PHYSICAL EDUCATION AND HEALTH

What are your favourite school subjects?

COMPUTERS, TECHNOLOGY AND TRADES

If Computers, Trades and Technology are your favourite subjects, then you enjoy things like computers, applied sciences and trades. You are good at working with your hands, trouble shooting problems, and coming up with creative solutions using appropriate techniques and tools.

LANGUAGES AND ARTS

If Arts and Languages are your favourite subjects, then you enjoy things like drama, visual arts, music, English, creative writing and learning foreign languages. You are excellent at expressing your ideas and feelings through written and visual media.

HUMANITIES AND SOCIAL SCIENCE

If Humanities and Social Sciences are your favourite subjects, then you enjoy things like history, economics, law, geography and family studies. You like to learn about the world and are interested in how and why things happen. Cooperating with and helping others is part of your character.

PHYSICAL EDUCATION AND HEALTH

If Physical Education and Health are your favourite subjects, then you enjoy things like physical education, health, and biology. You are an active person who is good at working with other people to achieve goals.
