

U for Unicorn

Unicorns are one horned mythical creatures that can be associated with all kinds of mythology.

The unicorn is a legendary creature embodied like a horse.

Everybody has different theories about these magnificent beasts.

Some people say that they can run silently through forests covered with leaves.

Others say that their horn when placed on a wound heals the wound.

Their hair looks like pure satin, especially when exposed to sunlight.

Well, now we have seen each other,
said the Unicorn,
If you'll believe in me,
I'll believe in you.

Lewis Carroll

A long time ago
When the Earth was green
There were more
Kinds of animals
Than you'd ever seen.
They'd run around free
When the ark was bring born,
But the loveliest of them all
Was the Unicorn.
