

## HOW MANY?

*Wordies visit Treelandia. They meet Bo and Amy.  
Rosie teaches them to count to twenty.*

Five little aliens are on  
the way to Earth. Their  
spaceship flies for months  
past planets and stars.

Rosie  
How many trees are there?

Bo  
I have no idea!  
We can only count to five.

Rosie  
Let's count together.

Bo and Amy  
One, two, three, ...,  
twenty.

count  
many  
can

How ..... trees are  
there?

We ..... count to ten.

Let's ..... together.
