

LET'S EAT!

*This is a board game for 2 - 4 players (or teams).
Before playing the game revise or pre-teach the vocabulary
used in the activity.*

Decide who starts and who comes next.

Take a turn by flipping a coin
(heads = move 1 space; tails = move 2 spaces).

You have 10 seconds to say a word related to food and eating that begins with that letter of the square you land on - or you must go back two spaces. Each word can be used once. If you say a word that has been used by someone else, you miss a turn.

If your answer is correct, don't move. If your answer is wrong, move back one space.

The winner is the first player to reach the finish.

*D for dinner.
Let's eat dinner!*

*M for milk.
