

The movement of people and things from one place to the other is called as Transport.

WHEN WE TALK ABOUT WAYS AND MEANS OF TRANSPORT, WE USE *by*.

by bus

by car

by train

by plane

by ship

by bike

There are many ways of traveling from one place to another place.

Buses, cars, trains, planes, boats and bicycles are all kinds of transport.

If we want to say we walk somewhere, we say we go *on foot*.
